PROFILE

Software Engineering fresher (2026 batch) with hands-on experience in machine learning, computer vision, and frontend development. Skilled in Python, React.js, and full-stack development with a strong foundation in OOP, SDLC, and scalable software design. Passionate about building high-quality, user-centric products and contributing to innovative engineering teams.

EDUCATION

Bachelor of Engineering- Computer Science Engineering

K L N College of Engineering

CGPA-8.3/10 until 6th semester

11/2022 – 05/2026

Tamil Nadu, India

PROFESSIONAL EXPERIENCE

Frontend Intern

Rmv Technologies

12/2025 – 01/2026

- Developed responsive UI components using React.js, HTML, CSS, and JavaScript; improved frontend performance and code quality
- Collaborated on real-time projects following modern practices like component-based architecture and GitHub version control

PROJECTS

Image Based Classification of Fruit Ripening Stages

Built a CNN + YOLOv8 model for real-time fruit ripeness detection with image preprocessing for improved accuracy.

Tools & Usage: Python, Google Colab, TensorFlow/PyTorch, YOLOv8, OpenCV, NumPy, Pandas

Market Basket Analysis

Applied Apriori algorithm to identify frequent product combinations and generate association rules for retail optimization.

Tools & Usage: Python, Pandas, NumPy, Mlxtend, Jupyter Notebook

Personal Portfolio Website

Designed and deployed a fully responsive personal portfolio website to showcase projects, technical skills, and resume. Implemented clean UI design, interactive components, and optimized performance for cross-device compatibility.

Tools and Usage: HTML, CSS, JavaScript / React.js, GitHub, Deployment (Netlify)

SKILLS

Programming: — Python, Java

ML/AI: — NumPy, Pandas, Scikit-learn, TensorFlow, PyTorch, YOLOv8, OpenCV

Frontend: — HTML, CSS, JavaScript, React.js

Database: — MySQL

Tools/Concepts: — VS Code, GitHub, Jupyter Notebook, Google Colab, OOP, SDLC, Agile

COURSES

Java course : From basic to advance

Udemy

Cyber security Course by Google

Coursera
